DPC Circular Letter No. 02, 2023

February 2, 2023

The Presidents/ Chief Executives
All Banks

Dear Sir/ Madam,

Revision of Data Reporting Formats for Banks

Please refer to the [DPC Circular No. 01, 2019](#) dated March 15, 2019, wherein all member banks of DPC were advised to report their position of deposits to DPC on quarterly basis as per formats enclosed with the said Circular.

2. The increased volume of deposits of the member banks warrants necessary adjustments in the reporting requirements of deposit ranges. Therefore, it has been decided to revise Annexure-B (i&ii) attached to the above mentioned Circular. The revised format of Annexure-B shall now provide for extended break up of eligible deposits by enhancing the number of ranges of eligible deposits. However, the reporting requirements of Annexure-A would remain the same.

3. All banks are advised to report their first such report on Annexure-B as on December 31, 2022 position of deposits as per enclosed formats to DPC latest by February 28, 2023. Going forward, banks shall report quarterly position on enclosed formats of deposits by the end of next month of each reference quarter.

4. Please acknowledge receipt.

Yours' truly,

Sd/-
(Syed Mansoor Ahmed Zaidi)
Additional Director
